

## **FOR IMMEDIATE RELEASE**

### **ALCiT Recognized as the only Canadian Company to Achieve Arctic Wolf MSP Gold Partner Status**

**Mississauga, Ontario, May 26<sup>th</sup>, 2025** – ALCiT, a leading Canadian Managed Service Provider specializing in cybersecurity for small and medium enterprises, is proud to announce that it has achieved Gold Pack Partner status with Arctic Wolf, a global leader in security operations.

This significant recognition underscores ALCiT's ongoing commitment to providing top-tier cybersecurity solutions and services to Canadian business—organizations that often face the same threats as large enterprises but with fewer resources.

“Reaching Gold Pack Partner status with Arctic Wolf is a testament to the dedication and talent of our entire team,” said **Loïc Calvez**, CEO of ALCiT. “This achievement is a direct result of their hard work and dedication. Their expertise and commitment to excellence have made this possible. We are thrilled to be recognized, and this milestone solidifies our goal to help SMBs become—and stay—cybersecure in an increasingly complex threat landscape.”

As an Arctic Wolf Gold Pack Partner, ALCiT will continue to deliver proactive and comprehensive security operations including Managed Detection and Response (MDR), risk management, and compliance governance —providing businesses with the tools and support they need to protect their digital assets and ensure business continuity.

With cybersecurity threats on the rise, ALCiT remains focused on making enterprise-grade security and compliance accessible, scalable, and effective.
